The Natomas Soccer Club (NSC) Board and Coordinators are compiled solely with volunteers that dedicate their time and ability to the needs of our players, coaches and families. Without volunteers, NSC could not be in existence.

We realize that there are many individuals that have a variety of skill and ability that would benefit the most important part of NSC, our players. Every year, we recruit individuals that demonstrate such skill. In an effort to be fair, we wanted to provide a way for all interested individuals to notify of your interest to help our Club. It is true that we are all volunteers; however, please review the description, including qualifications and responsibilities, of each coordinator position available.

If interested, please submit this form by **February 23, 2012** by email to info@natomassoccerclub.org.
